

## INDEPENDENT CONTRACTOR AGREEMENT

\_\_\_\_\_ wants each Contractor to understand that under this agreement, each Contractor is Independent, Separate and apart from \_\_\_\_\_ and is responsible for any and all FICA, Federal and State income taxes, sales and use tax and any and all other employment and/or business taxes owed on monies earned while under contract with \_\_\_\_\_. Under this agreement, it is understood that each Independent Contractor is totally independent from \_\_\_\_\_ and therefore is not covered by Florida State unemployment laws or the State Workman's Compensation Act.

This agreement may be terminated by either party at any time.

I, \_\_\_\_\_ understand that I am an Independent Contractor and that I am responsible for all tax withholdings, FICA and self-employment taxes due. I have specific control over the order and sequence of work performed, time of completion and the hours worked. I am paid by job productions or by completed jobs, but not by my time. Due to these factors, I realize that I have the opportunity for entrepreneurial profit and loss. I also understand that I will receive a Form 1099 from \_\_\_\_\_ so that I may file the proper self-employment forms due at the end of the year. I understand also that I may be responsible for filing a quarterly estimate of Federal taxes to cover self-employment income reported to me by \_\_\_\_\_.

In addition, I will:

- Furnish my own equipment, tolls, supplies;
- Do the work requested in accordance with the contract agreed upon with \_\_\_\_\_ and it's customer(s) in a manner that is consistent with trade practices;
- Provide my own continuing education and hire, fire, supervise and pay any assistants.

I have read this agreement and I clearly understand ALL the provisions contained therein. This agreement was explained in full and with all implications to me before signing and I acknowledge receipt of a copy of this agreement and all statements contained therein.
